[1] If borrower has not owned AND occupied a residence in the last 3 years, they are considered a first-time home buyer. Three years tax returns showing no mortgage interest tax deduction are required to document first time homebuyer status. Veterans who have an honorable discharge do not need to be a first-time homebuyer.

[2] Application Income (aka Qualifying Income) is the income the borrower is qualifying with per the lender's loan application, AUS findings, and underwriter's approval.

³ <u>Household Income (aka Compliance Income)</u> is all income that will be earned by everyone living in the home age of 18 or over, whether or not they are on the loan application. We look at the highest pay for the coming 12 months which includes future projected raises.

⁴ <u>Target areas</u> may have higher 1ˢᵗ mortgage income and acquisition limits. Borrowers purchasing in Target areas do not need to be first-time home buyers. Please see <u>House Key manual</u> for full details.
